

## GuidanceConnect<sup>SM</sup>

### A Flexible Solution for Accessing Care

We have redesigned our award-winning website, GuidanceResources® Online, to make it even easier for you to get the support you need, whenever you need it.

#### What's new?

GuidanceResources® Online is now streamlined to make it easier to find what you need quickly. At the top of the page, we've added a "Connect to Care" menu, which offers you instant access to 24/7 live clinical support, or you can find a network therapist and schedule an appointment through the new GuidanceConnect<sup>SM</sup> feature.

#### GuidanceConnect<sup>SM</sup>

Offered as a complement and alternative to our 24/7 live clinical intake experience, GuidanceConnect<sup>SM</sup> allows you to find a network therapist and schedule an appointment through the portal. After answering a few simple questions, you will be matched to a pool of therapists who meet your clinical needs and preferences. Whether you're looking for in-person, telephone, video or chat counseling, you can select your perfect therapist and schedule an appointment right there in the portal. Check it out today at [guidanceresources.com](https://guidanceresources.com).
